

“Very elegant and complex aroma, very fresh, with vibrant red fruit and floral notes balanced by a subtle hint of basil from the Touriga Nacional grape variety. In the mouth, the great freshness stands out in balance with very discreet notes of barrel fermentation and ageing adding a long and fat flavorsome finish.”

### ORIGIN

Quinta da Pedra Escrita estate is located in Freixo de Numão - Douro Superior, with an average altitude of 575 meters. The windy and dry soils of the Estate are predominantly of granite, sandy and very poor in nutrients. Here I grew my first vineyards, always believing that the granite soils give us wines with highly complex aromas and great longevity, like in the old times.

### VINIFICATION

Early harvested grapes to preserve natural acidity and a lighter colour.

Hand-picked grapes, gentle pressing without destemming or crushing. Fermentation in 300 Lt French barrels followed by ageing with fine lees stirring until bottling.
